Comments: Astonishing rewards in the Kingdom of Heaven

In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. (John 14:2)

"From the moment I created you, I granted you a place in My Kingdom."

Comments: My father spent his childhood in Mt. Greenwood before going to service in 1939? His name was Dick Donnelly. He often mentioned St. Christina's and Fr. Rabi dol (spelling uncertain).

A friend of his, Victor McDowell, published for private use,

a collection of letters and pictures of the servicemen and their families called The Messkit.

Do you know if these are still available?

Did you know Dad?

Comments: Hi Grandpa Don,

My son Mark is Anthony's roommate and we met during your Florida trip. Your website is amazing and stepping up to the plate and spreading your faith is inspiring. I have two requests: If you happened to take any digital photos of Mark, would you forward them to me and what kind of camera do you use? We want to buy a digital camera in the near future. Thank you,

Mike Culp

Comments: I am hoping to one day become a Evangelist one day soon and with God's help I will do it, in the name of Jesus Christ. God has blessed me with healing powers. He has healed a lot of people through me and even though when I was little, I felt I never belonged with my family, I always felt like an outsider but I always knew that God was always there for me in good times and in bad. When I was 13 years old my brother had a lot of fever, I prayed for him with all of my heart and he was healed instantly. Praise be to God!! When I was 18 years old I dreamt God and a lamb being sacrificed between us, He told me to raise my hands like him and I did and as I did he was blessing me and he said, "My child, I have blessed you with the healing powers, go out into the world and let it be known". And that is why I am writing you. I would really love it if you could have people write me and send me pictures and prayer request's God has healed people with

leukemia, cancer, paralyzed, sick, ill, dying people through me and with God as my witness, it is the truth, the whole truth, and nothing but the truth so help me God. I was reading some of the stories in here and they touched my heart. I love what you are doing and I pray that God will continue to bless you. Thank you for doing this for me. My name is Rhonda Gomez

Comments: Hi all my guestbook viewers.

The previous posting deserves a clarification.

I deleted a previous entry by King Bobo because I did not understand his satirical web site. I am language impaired. (I don't understand German.)

My apologies to King Bobo. Your web site graphics do appear to be a bit irreverent but I respect your right to make your views known.

Speaking if irreverent, see his posting to see what can happen if Santa finds you have not been good.

I just returned to go through your site a bit more. Great site, a lot of effort is being expended to keep it up to date. I included my url this time and am inviting you and your many readers to come to my site to enjoy some of my poetry and country song lyrics. I, too, like you, am in the retirement generation and discovered I had a talent for writing when I retired in 98 and am enjoying it immensely. Thanks for the privilege of browsing your site. I, like MacArthur, shall return.
